PPG Docket No. 1375P1
Filed June 16, 1999

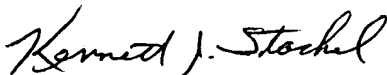

Dear Sir:

On July 14, 1999, Applicants received the Monthly Statement of Deposit Account dated June 30, 1999 for deposit account 16-2025. The posted entry for June 25, 1999 included filing fees (control nos. 136, 137, 138) (copy attached as Exhibit A) for our docket No. 1375P1. The total number of claims filed and paid for were 43 not 45 as indicated on the Utility Patent Application Transmittal (copy attached as Exhibit B) and in the attached application. The claim numbers were misnumbered in the application. The correct number of total claims is 43.

On August 20, 1999, Applicants received the Monthly Statement of Deposit Account dated July 30, 1999 (copy attached as Exhibit C). The posted entry for July 16, 1999 (control no. 1) was \$36.00 for our docket No. 1375P1 for claims in excess of 20. This charge is in error since 43 claims were actually filed, not 45 claims.

Since the number of claims filed and paid for were 43, please credit our Deposit Account No. 16-2025 in the amount of \$36.00.

Very truly yours,

Kenneth J. Stachel
